Our Guiding Light

Jesus said

"I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my Disciples, if you have love for one another. (John 13-34-35)

KEY INFORMATION FOR THE WEEK

This may be the final newsletter of the term, but there is still lots to celebrate before we head off on our summer holidays.

Year 5 did us proud when they joined the Swan Uppers on the banks of the Thames in the village on Tuesday to witness the annual Royal Swan Upping. The weather held out and it was a super experience for them all.

We were not so lucky on Monday. We were incredibly disappointed not to be able to invite you in to see the children compete in track events but, over the last couple of weeks in between showers, we have managed to find time for them to complete all the sports day activities. They have supported each other and shown great resilience in their efforts.

Annual reports were sent home on Wednesday with a letter about staffing. We also sent your child home with completed exercise books. Unless your child is in Year 2 soon to move into Key Stage 2, incomplete exercise books remain in school for him/her to use in September. We are proud of all the work the children have completed this year so we hope you will treasure their books as much as they seem to. Today some children have taken home certificate marking 100% attendance this term. Of those, 10 children have completed the whole year with 100% attendance which is a remarkable achievement and has been celebrated.

Of course Year 6 have brought home all their belongings. Their final day at Holy Trinity was celebrated in a very special leavers' assembly this morning which many of you were able to come to. In their own unique way, the children shared memories and reminded us of all the things they are proud to have achieved over the years. It was with genuine sadness that we said goodbye and we wish them nothing but success and happiness for the future.

With long lazy days ahead you may be looking for things to do to keep your child busy. Don't forget the Summer Reading Challenge. All you need to do is take your child to Cookham Library to sign them up. Certificates will be presented to those who do complete the challenge at the start of the Autumn Term. For details got to: [Summer Reading Challenge](#)

Over the last few weeks and again today we have shared flyers of summer camps happening in the local area. Some will be here in school. Mrs Lucas is running a Performing Arts Workshop on Tuesday 30th July, Wednesday 31st July and Thursday 1st August and Mrs Hyslop will be running a one day Art Club on Friday 26th July. The Skools Out Summer Club will also be here towards the end of the break. To find out more, message htskoolout@gmail.com

Some flyers have also been circulated about clubs starting in September with more to follow when term starts. We are thrilled that Mrs Hyslop will be running her after school 'Inspire Art' club again for children in Year 3 to 6. To book a place for your child email nickyw1@hotmail.co.uk

Looking ahead to September, the catering team would be grateful if you could remember to place food orders during the holiday and the office team if you could clear any outstanding debt on Scopay. The team of teachers and support staff would also be thrilled if you could ensure all items of clothing are named before your child returns to school for the start of the new academic year! Thank you.

With that said, all that remains is for me to thank you for your terrific support this year in all sorts of ways including making our PTA so successful (please see an attachment listing all the things were achieved as a PTA together). It has been a happy year in which many wonderful memories have been made. Have a lovely summer and we shall look forward to seeing you and the children on Wednesday 4th September for the start of a new term and a new academic year.

Anna Smith
